

ORION HEALTH COMPANY OVERVIEW

Reimagining the healthcare experience for all

With 30 years' experience working with national healthcare systems, authorities, and regulators worldwide, we're addressing today's challenges with our world-leading Unified Healthcare Platform. Through the Virtuoso Digital Front Door, Amadeus Digital Care Record, and Orchestral Health Intelligence Platform this offers an end-to-end solution for improved population well-being.

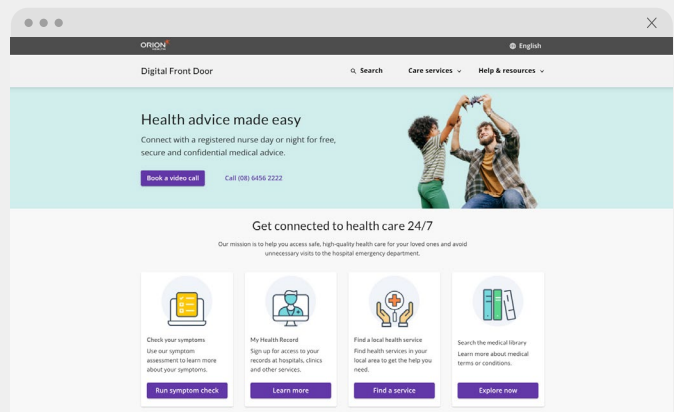

UNIFIED HEALTHCARE PLATFORM

Our world-leading platform unifies data to flow seamlessly across the healthcare ecosystem, reveals insights from health records, and empowers people to take control of their own care.

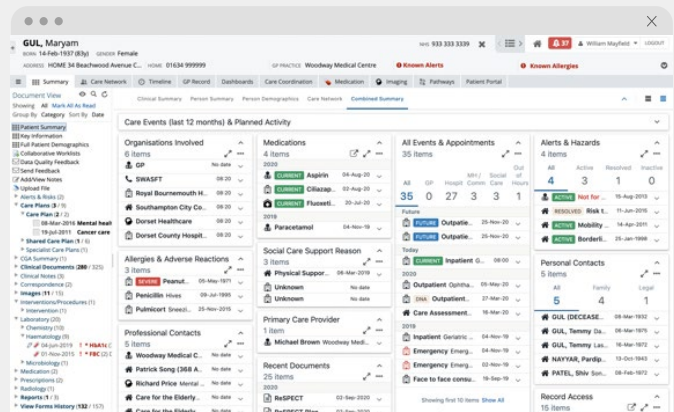

VIRTUOSO – DIGITAL FRONT DOOR:

An omni-channel consumer engagement platform that integrates data, tools and services for end-to-end healthcare navigation and management.

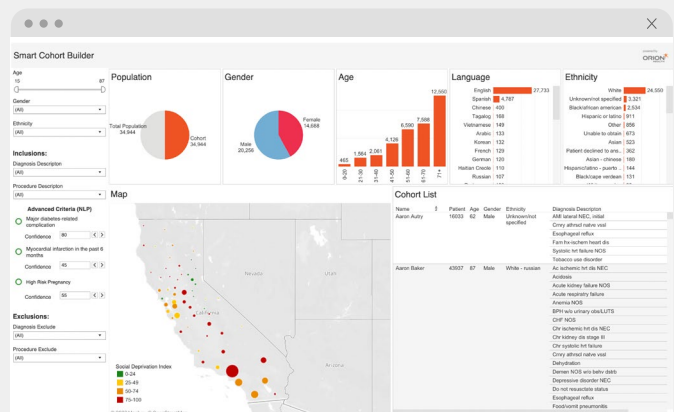

AMADEUS – DIGITAL CARE

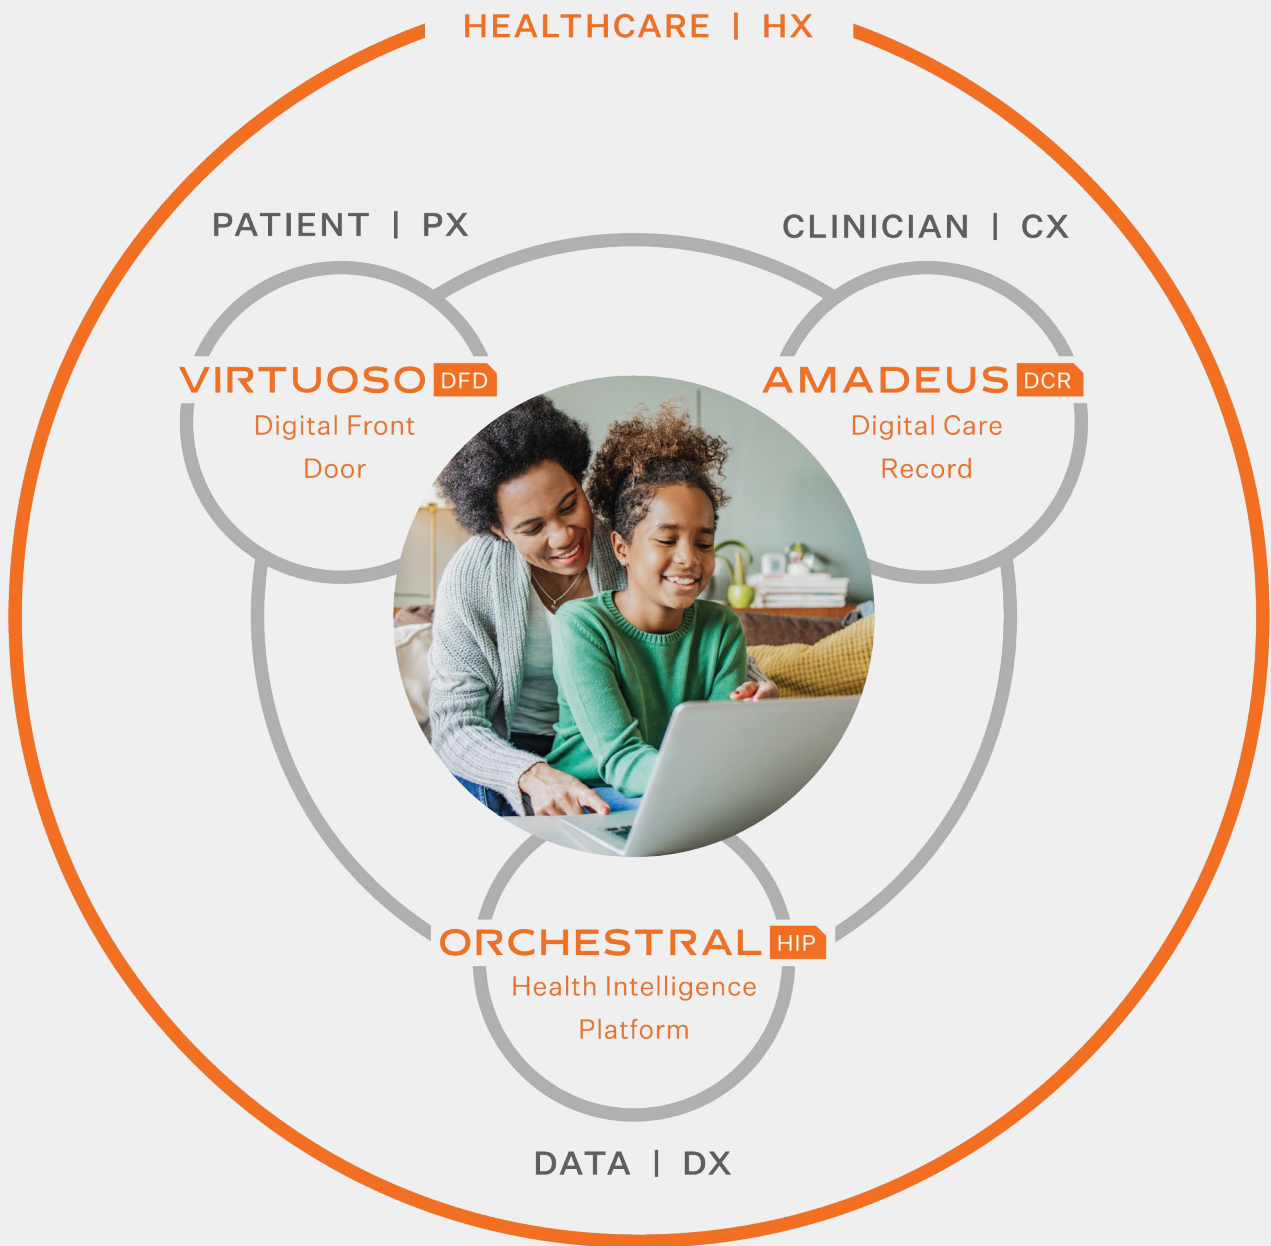

RECORD: A digital care record that consolidates patient information across settings, enabling more effective coordination and empowering carers to make optimal decisions.

ORCHESTRAL – HEALTH

INTELLIGENCE PLATFORM: A healthcare intelligence platform that acquires and analyses data for individual, cohort and population health management, with AI capabilities built in.
